***DISCLAIMER:** The examples set forth here are hypothetical examples that are intended to explain the components and operation of the AllXClub Compensation Plan. These hypothetical examples are not representative of the income, if any, that an AllXClub Member can or will earn through his or her participation in the AllXClub Compensation Plan. These figures should not be considered as guarantees or projections of your actual earnings or profits. Any representation or guarantee of earnings, whether made by AllXClub or a Member, would be misleading. Success with AllXClub results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities. Because AllXClub is so young, it has not yet had the ability to determine either: (1) the average earnings for all its Members; or (2) the percent of AllXClub Members who achieved or exceeded the hypothetical earnings set forth above. As soon as this information is available, we will provide it on this page. †An Associate must be active in order to sell product and earn commissions & bonuses.
